“ My deepest sympathies are extended to your family at this time of loss. I have fond memories of Don and our time together at Lee Center Elementary school. Also, my two daughters were about the same age as your Jeff and Doug when they attended school together. Life is much too short in many cases, this being one, but what beautiful memories you must have to fall back on. May you feel the comfort and love of our loving God now and in the days that follow.

*Most sincerely,
Gary Cater*
