“ *My Uncle Don was a wonderful man. He was full of life and such a hard worker. He loved his family and took care of everyone. My last memory was him taking me for a ride in his convertible two years ago. We may or may not have went 100 mile an hour down Dixon avenue. Funny thing was I was not even scared. He had us flying. I loved it. We will miss him dearly. Many many good times and memories.*
