“ *I wish I could be in Illinois to share my condolences in person. I have many memories of Aunt Donice popping in at Grandma's with the mail. One time I stopped by unexpected for a very short 1 hour visit and sure enough, she saw those Ohio plates and caught me before I left. She always was so quiet and calm. She was so faithful in watching over Grandma. One of those genuine people who did good behind the scenes and never asked for accolades or honor. Her gentle and sweet spirit will be missed. You are in our thoughts and prayers.*

Love,

Janine

“ *What a sweet, wonderful wife, mother, sister and friend to all. I'll always be thankful for her kindness and sweet , serving spirit she had for Mom. She faithfully checked on her, took in the mail , and bought her groceries whenever she needed them. Towards the end, she brought in meals daily. We'll miss her deeply but know we'll see her again someday in heaven. **
