“ While I did not know Donna well, I did know Jerilyn and Karen from working with them as lifeguards at Memorial Pool. Fond memories triggered by a sad event.

*I read the obituary in the Dixon Telegraph and wanted to reach out and share my condolences to them for the loss of their Mother.*

*Deepest sympathies,

“ Jerilyn, Karen, and family- We are so sorry for the loss of your mom. She was such a nice lady. Peg and I have many wonderful memories of times spent with her and your dad visiting at your house, and many trips to Ladd on Sunday afternoons to get chicken and ice cream. She taught me to make a peppermint sugar cookie and every time I have one of those cookies, I think of her. I know your dad helped many times with assembling late night Christmas gifts for peg and I. Mom and dad had the best vacations when they visited your parents in Las Vegas. Your parents showed them where to get all the “food deals-back when food was really cheap there! lol! I last ran into your mom at the grocery store a few years back -I think she was picking up a treat for herself and we chatted about your families.
