“ *I worked with Donna at NIU. She was very proud of her children and grandchildren. She went through many changes in food service on campus, but still kept all departments in order. Prayers to the family.*

“ I went to school with Donna in Dixon and later we were neighbors on N. Dement where our kids were great friends and played together every day. We shared lots of drinks, impromptu meals and good times back then and have managed to see each other a few times even after we moved to Texas. My love and prayers to Dawn, Danny, Doug and David and all the family. Sybil Toole Hubbell and family
