“ Mom, I miss you more than you know. You always made sure growing up to be at our events. You were our biggest cheerleader. You loved your grand babies and children with everything you had. I'm going to achieve more of my dreams as once when I asked you if you were proud of me, you told me I was a strong woman who always did what I had to. I got my strength from you! It still feels like a nightmare you aren't here on Earth with us anymore. I love and miss you so much!
