“ We are so very shocked and saddened to hear this news. We so appreciated all the years Doug worked for our family's business where he was always reliable, honest, dependable, and so very capable. We could not have asked for a better person to manage the office. I enjoyed working next to Doug and getting to know him. I appreciated his sense of humor and his kind ways that would occur very quietly - which he always seemed to prefer. He talked frequently about Alison and Zach and how he enjoyed being with his family - especially taking Eileen for her flowers each year before Mother's Day. He will be so missed. I'm glad I got to know him. Our deepest sympathies. Godspeed, Doug.
