“ *I'll always cherish my childhood memories of my dear Aunt Eileen. I'll never forget the love, the cheerfulness, those twinkling eyes, amazing meals, and that wonderful voice ringing through the house. I always looked forward to visits between our families. She always seemed to love us as if we were her own, and was just a joy to be around.*

*I'm glad I got to see her again last year, after so many years, and to speak with her recently. God bless Aunt Eileen, God Bless and comfort all her children, and all their families too. I miss you all, and am so very sorry for this loss.*

“ *I remember coming to visit as a child and Aunt Eileen always made me feel welcome. Even though we played pretty wild through the house & yard. She always greeted us with a warm smile, her eyes twinkling. Her voice warm and caring. She will remain in my heart forever.*
