

Eleanor Brandys

February 22, 1920 - May 14, 2008

With deep sadness we announce the passing of our dear sweet mother and Busia, Eleanor Stacy Brandys, after a lengthy illness. She was pre-deceased by her husband Casimir and beloved daughter Mary. Survived by her son Mike, daughter Clare and son-in-law John and much treasured grandchildren Michael and Sophia. Remembered by close family friend Roger, many friends from McReynolds Towers and many extended family members.

Eleanor lived a life filled with grace, modesty, and hard work. She taught us the importance of helping others and always had a ready smile and kind word for all who had the fortune to know her. She was a longtime member of St. Anne parish in Dixon and remained active with a career in health care and volunteer work over the years.

The family wishes to extend their heartfelt gratitude to the wonderful nurses, nurses aides, therapy, and all other staff at the Franklin Grove Nursing Center. Eleanor was cared for with great tenderness and compassion there and we are so thankful for all the special attention shown to all of us. Special thanks to Kathy Clark, Crystal Hart and others who gave of themselves. We are also grateful for the care services of Unity Hospice. Thanks to Dr. Myers and Dr. Appenheimer.

Eleanor willed her body to science, the Anatomical Gift Association, her last act of giving. A private family service was held and a memorial service through St. Anne's will be arranged for later in June to pay tribute to this great lady. If desired, donations in Eleanor's memory can be made to St. Anne's

School.

We will always love you and remember your goodness

“ *I have just brief memories of Mrs. Brandys when I was a child going to school at St.Anne's. I thought she was a very nice lady and I am sure will be truly missed by all her family and friends. I have been gone from Dixon for many years. I was in Mary's class and was unaware that she also had passed. I wish her family many happy memories of their years with her.**

“ *Eleanor holds a very special place in my heart. I had the pleasure of caring for her and she made me laugh and feel good about myself. She was a very kind and special woman. I hope you can find comfort knowing that she is no longer suffering and is at peace watching over you in the Kingdom of Heaven. My thoughts and prayers are with you at this time.*

*Sincerly Yours,
Kim Isham*
