“ *Eleanor was a very kind woman. I had the pleasure of working with your mother for about 9 years when I worked at the hospital in Dixon 20 years ago. Eleanor always had a smile and nice things to say about anyone she ever met. She often talked about how her children made her proud and then she would start with the oldest and work her way down to the youngest. I extend my heart felt sympathy to the Leffleman family. She will always be remembered kindly by those who ever met her.*
