“ *I was blessed to meet Betty in the last weeks of her life .. she was a blessing to my day and always made me smile .. she truly will be missed by many .. I will not be able to attend her services but so would love you to know what she meant to me a total stranger .. she taught me to always remember I was walking with God and to know he has a sense of humor ... God Speed Betty you truly were one of a kind ... I am Missing you in my Day*
