“ *Marcia and Michael, Your parents were very gracious and warm to us when I took Carl and Marion over to visit your mother and father. They always caught us up on what was happening with your family. Occasionally Al and I would run into Bill and Betty at the Long Branch and they would invite us to eat with them. They loved to relive the fun times they had with Carl and Marion. We send our deepest sympathy to you and your family.**

“ *Marsha, Michael and family,*

Please accept our heartfelt sympathy at this difficult time. As you know, Marsha, your folks meant so much to both of us as well as to our parents.

It was so wonderful that you had your mother close to you when she probably needed you the most. God bless you and your family! We'll be thinking of you!
