“ I don't know if any of you know me but I'm Betty's cousin, Sue. My father was Henry Coy brother of Fred. My thoughts and prayers are with your family. I am very saddened at Betty's passing. I have many good memories of Betty and her brothers and sisters and I playing together as children. You have a good support system with your family, friends and church to help you at this difficult time.

“ To all of Betty's family:

Well, where do I begin? I used to work with Betty at PNC (yeah, years ago). My memories of her are many. I will always remember her laughter, her smart remarks, but above all her wisdom she always was willing to share. She gave me a keychain with praying hands on one side and the serenity prayer on the other...I still carry it with me to this day. My thoughts and prayers are with all of you at this difficult time.

“ *Al, I am so sorry for your loss. Betty was like a second mother to me. She is now in a better place, and gets to see her girls all the time. I know that may be of little comfort now but you have another angel watching over you. I only wish I could have seen her when I came to Amboy later this month. Be strong, and God will get you through this as always. You are in our prayers.*
