“ *I wish to convey my deepest sympathy to the entire family of Ellen. I only remember her when she was little coming to Sue's house in Amboy.*

To Paul and Donna, I cannot begin to try to understand the loss of a child, it must be almost unbearable. I am sure the good memories you have of her will get you through your hardest days. I will pray for you and your entire family. I will say a special prayer for her children that they will be able to endure this pain.

“ Ellen was one of the most courageous people I have ever had the privilege of knowing. To watch her fight with all her might gave me such inspiration. I admire the spunk that she showed throughout many of her trials and tribulations. May God bless her and her family, giving them strength to bear the loss of such a wonderful person. I was one of Ellen's school friends at Sauk. We studied together, did clinicals, practiced for comps, and just hung out. I was never happier than when her name was announced as student of the year...she deserved that and more! I am so sorry I won't be able to be there for the visitation or funeral, but please know she is my my heart and thoughts. This death has greatly touched me, as did Ellen. Heaven has just gained another angel. Love to all of you.
