“ *I grew up across the street from Mrs Lindgren and remember her fondly! She was just the sweetest lady and always looked so adorable in her square dancing dresses. I am sure she is happy to be reunited with her dance partner. My condolences to her entire family.*

“ Dear Ernest, Ruth, Peter, & Doreen,
stepson, David, and grandsons Peter and Randy and other
members of the family.

*It is truly a blessing that Dollie is with the Lord and is now free from
any pain or discomfort. The last time I saw her was in July 2010 and
she still could communicate and remember things well. She always
asked about Jay and his racquet stringing business. I will remember
Dollie always welcoming us to her home and in her kitchen baking
cookies or making a meal for someone. We even stayed overnight
in her basement on one occasion. Also, my Mother, Alberta Wolf,
and Dollie would sit in their red, white, and blue outfits watching the
July 4th parade in Dixon.*

*Also, I remember her as a regular attendee at First United Methodist
church. Dollie will be remembered fondly by those who knew her.
Prayers are with you as you mourn her passing. Sincerely,
Louise Wolf Morgan and Jay Morgan*

“ Dear Lindgren Family,
My mother and your mother became inseparable friends after my
father Bill Wolf died. They had a church circle connection and well
as friend's bond.
They ate out together and loved going to McDonald's and Hardee's.
When we came into town we saw her, stayed in her basement, and
enjoyed her company.
I saw her with my sister, Louise, in July of 2010. She was alert
recalling the stories of the past. We will always remember the
kindness she showed my Mother and us. In deepest sympathy in
your loss, Janet and David Grummitt and family.
