“ Dear Cindy,

Rick and I are so sorry that we can't attend the visitation for your mother. We are leaving this week for our annual two weeks in Florida. I'll never forget your attendance at Mom's visitation 15 years ago. It meant so much to me and I wish that I could return the favor. I have such fond memories of the time I spent in your home during high school. Your mom was always so warm and hospitable and I loved being in your home. I hope these past years haven't been too difficult for her. Rick's mom is the exact same age and is now living in the nursing home in Amboy, which is why we only get two weeks in Florida. Please know that we are thinking of you this week and we hope that you and your sisters are enjoying many fond memories as you mourn your mother.
