“ I was so sorry to hear about your wife, mother and grandmother's death. I am so grateful that I was able to spend time with her when she attended my father's funeral three short years ago. He courageously battled diabetes also. Her closeness and love of family was evident when she spoke proudly of my dad and of all her siblings. She knew exactly what to say to be of comfort at that difficult time relating anecdotes, happy memories, listing my dad's virtues and achievements. I was impressed with Aunt Evelyn's knowledge and skill for making authentic Native American dreamcatchers, dresses, etc.. Her beautiful face lit up as she spoke and it was obvious that she was proud of her heritage and passionate about carrying on the traditional ways. This family has truly lost a gifted and caring member and you have suffered the greatest loss. May the thoughts and prayers of those who loved her and all of you help sustain you through this difficult time. Love, her niece Diane

“ I will miss Evelyn very much. We worked together and I have many fond memories of her and her family. She called me daughter and I was proud of that title coming from such a wonderful woman. She was strong and full of energy. She looked out for me and taught me alot about the person I grew up to be. I will never forget her. I hope Dave, Bruce, Brian and Blake are well. Please contact me if you like, I'd love to hear from you.
Love,
Michelle*
