“ To the family

*I have not meet the family personally however I was sorry to read your daughter, fell asleep in death it will be particularly hard for you dear mother and difficult for the bereaved father as well. Don't be afraid to cry shedding tears of grief appears to be a necessary part of the healing process. You may find that for a time your emotions will be somewhat unpredictable tears may flow without much advance warning be patient with yourself. when we lose someone we love the loss seems too great to bear. However Jesus gave his own perfect life as the basis for removing from mankind the curse of imperfection, sickness and death. A comforting thought that I found in the bible says, Soon God will wipe out every tear from our eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away? Revelation 21:4 I hope it will give the family comfort too my deepest sympathy to the family.*
