“ *To Mary and all the Family- I just wanted to send my condolences to you, remembering all the times Mom and Fairie talked across the alley, and my babysitting for Guy all those years ago. I'm sure Fairie and Mom are chatting again, and probably discussing what's going on with US!*

Fairie was always a good neighbor and friend to us. Where did the years go?

I pray for you that your memories be good ones and that God will let you feel His love holding you up.
