“ *I have wonderful memories of my Aunt Florence and visiting her and my Uncle Ray on their farm when I was very young. We often celebrated the 4th of July there with all the Dixon relatives and spectacular fireworks. We watched them from the porch of their lovely big white farm house. I can still picture the big round table in the kitchen filled with Aunt Florences's cooking... playing in the barn, swimming in the creek, watching the cows. I can also picture Florence, Ray, my Aunt Kate and my mother playing cards on a visit to California a few years ago. They sure had fun together. My favorite saying of my Aunt Florence is "Well, Forevermore!!" I can still hear her saying it. My sympathy to the whole family.**

“ Aunt Florence was a very special person. I will always remember how she typed up applications or resumes for me whenever I needed them and I almost always asked her at the last minute, but she always set aside what she was doing to help me out. Both of us express our condolences and our thoughts and prayers are with you.

“ Sorry for your loss. Please know that my prayers are with all of you, I work with Ryan..he is a great guy so I am sure he is the product of a wonderful and loving Grandmother.
May God wrap his loving arms around all of you and may you feel the peace that Florence is feeling right now.
