“ *It has been many years since I saw Frank. We did exchange Christmas cards for several years and that was the last I heard from him.*

I recall visiting the farm and spending time with my cousins. Frank was a great father. He showed an interest in his children and encouraged them in various ways. Frank was interested in what we were doing. He usually had some activities for us to do such as hiking about the farm and visiting the live stock.

Frank's family is fortunate to have had him with them so long.

“ I was sorry to read you had death in your family. Those we love are always with us their laughter and their wisdom, their advice and thoughtfulness are gifts of love that are ours to keep. Although I have never met the family I pray the tender mercy that God has always shown be with you now so you will know that you are not alone and may the prayers of others help in some small way to bring you strength and comfort and courage each day. Soon He will actually swallow up death forever, and the Sovereign Lord will certainly wipe the tears from all faces Isaiah 25:8*

“ We have a a lot of fond memories of Mr. Floto when he worked at St. Annes. He was always so kind to all of us kids and we remember his famous candles. Our prayers are with him and his family.
