“ Uncle Fred

*Thank you for showing me how to be a better human being.
Thank you for the example of how to be a Loving Husband and Father.
Thank you for the gift of your children.
Thank you for teaching me how to work and how to enjoy life when you're not.
Thank you for showing me how to be courageous and humble at the same time.
Thank you for taking care of me when I couldn't take care of myself.
Thank you for all the times you were there for my Family when I wasn't.
Thank you for showing me what I could be and for helping me realize the only reason I wasn't, was me.
Thank you for all of this and so very much more...
You didn't preach or nag and never expected anything in return.
No excuses, no BS, "damn right", my Uncle.*
