“ *Dear Lena, Fred and family, so sorry to hear of Fred's passing. I always enjoyed seeing him coming into the YMCA...and even had a piece of his delicious pie!! When I retired from the Y, (nearly 3 years ago now) I knew there were people I would miss terribly, and he was one of them. Know he will be sadly missed by all his family and friends...he was a great guy.*

May the love of friends bring you comfort...May God's love give you peace.

*With love and prayers,
Gayle Topping*

“ *Dave and Darlene*

I'm sorry to hear about your Dad's passing. We quit getting the Dixon paper and I didn't know when the funeral was until Becky said to check on the internet. I feel terrible that I missed the funeral this morning. Becky and I think a lot of you and Darlene and I sure would like to have been there as a friend to be a support. I understand that he was a believer in Christ, so it is good to know that you can take comfort in him being with Jesus in heaven today.
