“ My favorite memory of Gary Michael is from was when I was a kid, maybe 8 years old. Gary would have been in his early 20s, the youngest Uncle I had, and I remember he was always playing games with me when we visited. Lots of ping pong and some of my first 'grown up' card games!

Gary was a classmate of my daughter, Julie, and I was a room mother for many years ,and Gary seemed to enjoy the rice krispie treats that I usually brought to parties. My Deepest sympathy to all of his Family. God Bless all of you during this difficult time .
