“ Marie, Geoff & Carrie,
We are so sorry for your loss.
Gary was a gentleman, an outstanding teacher, and a good friend to all. He was so proud of his family and beamed when mentioning his grandchildren.
He is sorely missed at Central School.
He was committed to his profession, and his students.
I enjoyed working with him for many years both at Central and at Walton.
If we can be of any help, please don't hesitate to ask.

“ My thoughts and prayers go out to Gary's family at this most difficult time. I remember Gary as one of the 'best' in our graduating class of 1963. His warm and friendly smile is what I remember when I think of Gary. He was a born leader, a wonderful friend and always positive to those around him. He had so much going for him in high school and he made the most of each opportunity. Guys like Gary will never be forgotten and the world is a better place for having had him be a part of it. For sure, 'his memory and spirit will forever light the world'. And now he has completed his earthly journey and has joined the 'class' of The Lord where he will shine as one of God's newest 'angels'. My sincer sumpathy to his wife, children and grandchildren. May the beauatiful memories of this fine man, in time, bring a smile to your faces and joy to your hearts.

“ Beloved,

My deepest sympathies and fervent prayers during this time of mourning. I have nothing but fond, exemplary memories of Gary and how he witnessed to me a loving Christian family. May Christ, the Prince of Peace, pour love, grace, strength, and hope upon you during this time. May the Lord be glorified in this and use this time to draw others closer to Him. To be present with the Lord is the fullness of joy (Psalm 16:11).

*In His Love,
Brian*
