“ Mrs. B,

*I am deeply saddened to have learned of Mr. B's passing and wish to extend my sincerest condolences to you. One of my fondest memories during my childhood was when Mr. B taught me how to play chess. When we would meet to play a game or two, he would share with me the importance of such concepts as strategy, patience, and sacrifice. Both you and he were major influences in my life and I am grateful for all of the life lessons that each of you taught me along the way. You are in my thoughts and prayers.*
