“ i'm deeply sorry to hear of the death of mine little sister as I considered her since she was 16. She will be missed greatly by everyone that touched her heart:

little sis and I would get together when I came home to Amboy and we could go up to the local establishment and have a few drinks and talk and talk for hours? God bless her children, her sisters and her mother she was loved by everybody. Yes everyone didn't get along with her. She had her way just like it everybody else but that's one thing I'll never forget a lot of things brought us together and I will miss her dearly.
