“ As a child my Great Aunt Gloria was a safe island in my storm of a childhood. Through postings on Facebook it’s sweet to see she was like this with every child that crossed her path. She holds a special place in my heart. She will be missed. Hugs and love to my cousins Vic and Bec during this most difficult time.

I was not related to Gloria but I was best friends with her great granddaughter Summer Nantz. She treated me as her own. Even in her obituary she has 8 great grandchildren but she said 9. You will be missed Grandma A.
