“ My name is Zac and I knew Gonzo bc my house in Lakewood was on his route... Many many times we talked about working out, and enjoying life, and many other memories: he made many comments while I went through a divorce and always lifted my spirits...

He was a very unselfish person and I'll never forget the twinkle in his eye!

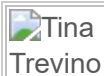

My deepest regards to all of Gonzo's family!

He was a man true to his heart and I already miss talking to you!

Your pal,  
Zac

“ Tio Gonzo Trevino I remember when you lived so closed by my parents and I couldn't wait to get out if school to go to your house and play with my cousins especially with Jenny . We laugh and just have fun. Only if we can go back in time and never grew . I'm going to miss to miss your smile and your jokes and you calling me Lil Anna. I love you Tio.
