“ *I first met Jr and Mary when I babysat for Eisenbergs in Lee Center. Since they were coming to Amboy they always brought me home. Years later we lived at Margaret Payne's farm where Jr farmed. He held all my babies and sat in the kitchen numerous times. We built our house in town 40 years ago. Jr and Mary bought the house across the street from us.*

Jr has been in my life for over 50 years. He was always a good friend and neighbor. Jim had recently had a good visit with him. With love and sympathy Beckers. His humor will be missed. He was a big part of my life.

I had the honor to meet JR and Mary many years ago . I lost touch with him but always remembered him and his daughters.I was fortunate to care for him recently. He always had a smile to offer you and a "sassy" joke even when he wasn't feeling well. My thoughts and prayers are with all of you!
