“ After 7 years I happened to stumble across this page and seeing her face makes my so happy and tears me apart at the same time. My Grandma was the rhe strongest kindest women I'll ever know. She was my biggest supporter and had purest heart of any women alive. I'd give anything just to play 9 more holes of golf out at Shady Oaks with her. I know she'd have a cooler in the back of the cart with Moutain Dew wrapped in tin foil waiting me. I miss you so much Grandma. Because of your kindness and amazing ability to put others before yourself Ill forever be a person because of your example. I love you and thank you so much.

“ Hazel was a parent, grandparent, & great-grandparent when she was most needed. She was a loving support for her family who returned that love & support when she needed it.
We are sad because she will not be here on earth again.
We are grateful because she WAS HERE and we can remember & share her love.
