“ *Mary and Family,
Will always remember your Mom as my "FIRST" customer in 1975.
We had many great conversations over the many years of cutting
her hair.*

*Will always remember how she would say God Bless, when hanging
up the phone or leaving the shop. In later years when asked how
she was, she would say " I was able to get up and take
nourishment, meaning she was fine."*

*Admired her for her Political views, her dedication to Pro-Life and
our Catholic beliefs. She was one of a kind. With my Sympathy,
Cindy Willey*
