“ *Sent photo of Helen and class @ Lincoln school . As newly elected Lee County School superintendent of Schools, I began visiting classrooms to remind myself each year of what it was like to be a pupil in our schools. I began taking a camera with me to capture classroom realities. Helen's kind, caring and fun class was the very first one I visited. Helen was an exemplary person AND teacher !*

I sent a photo (2 times) to Jones Funeral Home with a message about how as newly elected Lee County School Supt. I took along a camera to capture what it was like to be a Lee County pupil. THE photos got replicated and the messages evidently got "lost in the technology ether." This pic of Helen Green's kind and caring classroom is the 1st such photo I took. Helen was/is an EXEMPLARY PERSON AND TEACHER!

I met Helen during my first year of teaching at Lincoln School. She was always so friendly and kind to me. I would occasionally see her walking on the bike path and it was such a joy to see her.
