“ *My Aunt Helen holds so many memories for me, she was a lady that once you meet her you would never forget her.*

She was one of 4 sisters , and one brother, and you new they where related when they where together. Thinking of my cousins and prayers to you all.

She is in my thoughts... Hugs Judy

“ Words can't express our feelings at this time as we can only imagine what you must be going through. We want you to know that we are so very sorry for your loss. While at the same time so very proud to have been blessed enough to have known her. What a great lady she will always be remember as. May she rest in peace and may your entire family find peace as well.
