“ I love this picture of Hope in happier times. She was so fragile and so vulnerable and had a great smile when things were going well. We were friends for about two years and the last time I saw her was at her home in Amboy. She was having a birthday party for Tyler and Faith was there, too. That was probably at least ten years ago and I've thought of her often and hoped that she was able to get on the right track.
Your struggles are over, my friend, and I will keep you in my thoughts and prayers.
My condolences to your family and your children.

“ Dear God: I will always remember Hope, as I believe and pray you do. She was a friend of mine...and a daughter of yours. Please light her path and show her the way home. Distorted and plagued by this world, she suffered terribly as did your Son, Jesus Christ. In the love of the Holy Spirit...“I Hope”.

I knew of Hope's struggles and always prayed that she would find peace in this world. Now she is at peace in a better world. Rest in peace, my friend.
