“ *Elsie and Family and Roger and Family,
We were surprised to hear of Howard's passing. You are in our thoughts and prayers. We will miss seeing him at Living History meetings and tractor shows. We will certainly miss asking him questions about Massey Harris. God bless you. Sincerely, Dennis and Anita*

“ *My deepest sympathy to you, Elsie, and Brenda, and family. Unfortunately, I found out too late of Howard's passing and the services were already over. I was very disappointed and would have been there for Howard's final tribute. Howard was a wonderful man, kind, helping in any way, just a very good person. And to all of you, it was a pleasure growing up with you as our neighbors. And, for the kindness and companionship you gave my Dad after Mom passed away. Now, at least take peace in knowing they are sitting in their lawn chairs in heaven, catching up on the years they've been apart. And that now there is another Angel in heaven watching over all of us. Take care, Sharon*

“ My sincere sympathies to all of Howards family and extended family.
I'll certainly remember Howards kind, helpful and sincere ways. He sure treated me good and we always enjoyed a visit. I won't soon forget our short visit on Sunday of the tractor show.
Your family and the tractor club has lost a wonderful man.
