“ *Even though we have never met, I wanted to express my sympathy for the death of your mother Iona who was my husband's mother's sister, Georgia. My husband Ken or sonny that everyone on that side of the family called him, has just passed away at the end of July. I met your mom a couple of times but I didn't know her very well. I just wanted you to know you are in our thoughts and prayers.*

“ I was Iona's homemaker for almost a year. She treated me as a friend not a worker. We had sooo much fun together. We laughed all the time! Iona loved to go shopping and we went a lot! I remember she made me lunch one time and she set the table fancy with a tablecloth, beautiful dishes and silverware. I will miss her friendship and going to her apartment 3 days a week. It was a pleasure working with Iona.

“ I will dearly miss Oiney, she was a fun and smart lady. I loved her so much, all she ever wanted was a hug. I visited her when she was in Van Matre and the smile on her face when I walked in was priceless. I sat and held her hand and we talked for a long time. She was such a strong willed woman. She ran a good race 87 years. She loved her little stuffed animals she gave me a little dog, I gave her a monkey that she called coco. She was a very sweet woman. I am glad I had the opportunity to know her.
