“ *My Mom was definitely one of a kind. Always willing to share her talents of baking and gardening. She was definitely a social person. She cherished her religion. She sent care boxes to her boys when the nation was at war in Vietnam. She raised 8 children to be independent and survive on their own. We will miss her very much.* ”

What a wonderful Aunt she was. She also had such nice things to say about everyone. And she would remember everyones name even with all those Funfsinn's clans.
