“ *Jerry and Family,*

*Linda and I were so sorry to see the passing of Jackie. You both were such wonderful neighbors and great friends. Jackie was such a great hostess and the many nights we spent discussing current events, politics, religion, among many other subjects were always so much fun and even challenging. I especially enjoyed conversations about Jackie's Lincoln School and Dixon High School days. Jerry, you both were so deeply in love and I'm sure you've had some difficult days. Please know that Jackie will be deeply missed by those of us that had the pleasure to know her.*
