“ *Judy and family:*

I am so sorry to learn that Jim has died.

He was a great man and a great friend.

Because my father-in-law was a fireman for 35 years, I have a good understanding of the challenges of that profession. And I know that Jim was one of the best.

He was also a great friend and hunter. I will miss him and I will always remember many fun times.

Please accept my heartfelt condolences and my regrets for not being able to attend the services.

“ Judy, Bob, Joan, Sally and families;
Was shocked when my brother John called this afternoon.
Unfortunately, I cannot deliver this in person. I have nothing but
good memories. I spent many hours, slept over & ate meals at your
folks' house after we moved to Brinton Ave in '54. Jim, Benny H.
and I did all the things kids did at that time. We played sports and
were "river rats", all good, clean fun. Jim was one of the really nice
guys and I'm better for having known him.
My deepest sympathies to you all.

“ I moved to Tennessee from California a couple of years ago but just
recently have been in touch with another classmate, Ron Pritchard.
It was through Ron that I learned of Jim's passing. My wife Joyce
(Robertson, DHS Class of 1964) have missed Dixon and the
friendships we had during our high school years. We will be praying
for Jim's family during this difficult time.

“ Judy and family: Time has a way of getting away from us until we
are drawn back by the reality of life. Even though we have not
spoken in years, I have seen you both at various reunions and leave
feeling everything has been OK. Please accept my smypathy in the
loss of Jim to you and your family. We had a great high school class
('61) and Jim's smile and friendly personality was one of the best.
I'm glad to have known him.

“ Dear Judy,
I was saddened to learn of Jim's death. I did not know he was ill and so it came as quite a shock. I'm so glad I got to see you all at the reunion. I wish we had been able to make that trip he wanted to do at the previous reunion!

Wish I were closer so I could make the services and see you in person. Please consider yourself hugged and know that you are in my thoughts and prayers.

kindest Regards,
 Esther

“ Just learned of Jim's passing and you have our deepest sympathy. I can remember when Jim, as a little one, used to ride with me in the grocery truck, constantly carrying on a conversation. The Hill family has always been special to me, from father Bob, all the way down to Jim.

Love & Prayers, Jim
