“ Janet Barlow was a teacher of mine at Stephen F. Austin State University where I went to school and was in her department. I graduated in 1970 and spent a couple of visits to her home in Wimberly. She was an excellent teacher.

“ *OMG, SO SORRY, she was a very very good friend to me, never judgemental, biggest heart. Me being from Michigan we always talked about life up north. But we grew to love the great state of Texas. She was beautiful, she was funny. Loved being with her. She never failed me when I needed her for rides to work. Awww Janet miss the times we shared*
