“ I worked with Jan at PNC for many years. She was a devoted worker and I was amazed how she could work 2 full time jobs and do all the traveling she did. She would tell us about her trips and how much fun she had. Prayers for her family and friends. Betty Grobe

“ I remember Aunt Janice, her smile and her laugh...I remember growing up with cousins...weekends spent at the Elks Farm, camping, float trips, bon-fires, long walks in the woods, omlette mornings. I remember spending time at her home in Woosung IL, swimming & Aunt Jan's home remedy for swimmers ear. I recall watching a tornado pass from the basement of her home with cousins. I recall trips to Arizona we took as a family and how I hated gambling because I wasn't old enough to be around them. I remember how Aunt Jan loved my Grandma Harden and how much fun they had bringing the family together at the holidays. I remember Aunt Jan always having a plan and vision to make each event be a success. I remember her laugh and her smile. I remember her love for yard sales and the extra 'stuff' she collected yet didn't really need. I remember Aunt Janice as a true support to her family, offering a Love that she was often too stubborn to overcome. She had a great work ethic and found so much joy in her Singles Club and friendships, which kept her laughter and smile alive. I loved hearing of her adventures. I remember her for her smile and laughter that always brought me a comfort that, it's all going to be ok. Miss these past few years without her and will forever miss her influence, smile and laughter. You made it Home, Aunt Jan. ❤️ MAY PEACE BE WITH YOU.
