“ *I have always admired Jeannie's ability to overcome her handicaps and still serve everyone who came in the restaurant with a smile. She always welcomed our group of women and usually even knew what we usually ordered even tho we only came in every 2-3 months.*

*I also knew Jeannie from some of her medical treatments and there also she just did the necessary and handled the problems that life threw her way. I am sure that she put up the good fight as long as she could. It is a comforting feeling to know that she no longer has pain and is in a good place.\**

“ To Jeannie's family and friends, we are so very sorry for your loss. Jeannie was one gutsy lady. We didn't see how she could keep going, with her arthritis so bad, but she kept right on--and then life dealt her yet another blow.

We could always count on Jeannie for a smile and a wisecrack. When we came in there to Sunset, I never knew if she would smile or throw something at me. I was guilty by association, you see. We lost Frank in March, and I imagine they are Up There razzing each other right now. I hope they are!

Miss her, love her, but know that she, like my dad, is well again now, strong and whole, no more hurts or worries. May this knowledge bring you comfort now and in the days to come.

Be at peace, Jeannie. May God bless you all, always.
