“ I've known and worked with Jeanne at 53 for nearly 19 years, as I worked in the Sterling office. She was truly an asset to 53 and will be missed terribly. She was always willing to help anybody and would go out of her way to do the right thing. 53 will be a different place without her smiling face. Your entire family continues to be in my thoughts and prayers. I am so sorry for your loss. God Bless.

“ Dearest Ben and Joseph,
I am thinking of you both as well as your dad during this very sad and difficult time. Your mother was a kind, warm, and wonderful person as you know. She lived her life well and will be always be fondly remembered by all who knew her. Her smile could light up any room. My deepest sympathy to you and your extended family.

“ Greg and Boys- I worked with Jeanne for probably 15 or more years. She was one of the most loyal and dedicated employees I've ever had the pleasure to work with. If you asked Jeanne to take care of something, it was as good as done. She, Sherry, and Mandy were such a wonderful team. I'm very sorry for your loss and will pray sincerely for you all.

Sincerely.... Scott Dixon

“ *Jeanne was a wonderful co-worker. She always had a positive attitude and always wore a smile when I met with her in the Dixon office. She was a tremendous help to me and to the bank. She will be deeply missed. I would like to wish her family my heart felt condolences; and will pray for you during this very difficult time.*

“ *Greg, Joe, and Ben,
I feel privileged to have known Jeanne. She and I would ride together on some long trips for meetings and training. On those trips we shared stories about work and our families. Her sharings were always filled with so much love and tenderness from a devoted wife and mother. She spoke proudly about her children and their accomplishments. She was a meticulous and tireless worker who was always so willing to cheerfully help in any way that she could. We, too, will miss her greatly. My thoughts are with you.*

“ *Jeanne was my co-worker for 6 or more years when I worked for First Bank / Grand National Bank. She was the most conscientious and detail oriented employee and had the most positive attitude of anyone I've ever had the pleasure to work with. She was a tremendous help to me then and even years later after I moved on to another bank. She will be deeply missed. I'm very sorry for your loss and will keep you all in my prayers during this difficult time.*
