“ Since 2020, I've had the pleasure of becoming friends with Jeremey and Jodi, through being a seasonal at gro. To say I'm heartbroken would be an understatement. He was such a joy and so smart and hard-working, eager to help in anyway he could- Funny too; gosh was he funny. I looked forward to harassing him everyday while I was at the camper. I'll miss him terribly as the days go by this season at gro. I'll forever miss being able to text him and ask how the kitties, him and the mrs' are doing. Jodi, you are so loved and I hope you know just how special you were to him; something tells me you did. I am so sorry for your loss, just so shocking. You and the children are forever in my thoughts.

“ We had the privilege of getting to know Jeremy as seasonals of GRO campground over the past four seasons and like others, are deeply saddened by his sudden passing. While we are sure that both his electro-mechanical skill sets, as well as his strong work ethic will be surely missed, his kind, & easy going demeanor will be missed the most. God speed Brother! : 1:
