“ I love you forever my dear best friend. We lived a lot of memories during our childhood together including walking at graduation together and always going to your Grandpas house in Sublette to help clean. We rang in the new year together in 1999 going into 2000. Let me not forget to mention that you taught me how to pluck my eyebrows so I didn't look like a chia pet. You are forever in my heart and mind. My prayers and heart go out to everyone suffering from this loss. I love you forever Jessica Hume. This is so hard to believe. Rest in Peace 🥹🥹. We always tried to stay in touch through the years. I will miss your giggle and your glowing smile. You were a good friend and I will miss you. God Be with your kids , mom Laura your stepdad Jim and loved ones
