I just got word of Jo's passing and wanted you to know you are all
thought of and fondly remembered here in Nevada. Susan and Rod,
you may remember Chemistry classes. Winston, you were a good
friend and a fine example of how to live and treat people. I admired
you and Jo and your family.
Thinking of you.

“ Dear Winston and family,
It is close to 20 years since Norma and I have left Dixon but we still feel that we are part of the church family. You and Joan were there for us when we lost our son Seth and my mother Catherine. Our hearts are very sad this day that Doug has informed us of Joan's passing. Please know that our prayer and thoughts are with you and your family.

Love,
Bill and Norma

“ Cindy I know what an active and talented person your mom was and how much of a shock this must have been. I will always remember how nice she was and how active and involved she always was. I will be thinking of you and your family. Love, Ellen

“ *Der Kay and the rest of the family,
We were shocked to hear of Jo's death, and know this is a difficult
time.*

*Our families were friends back in Saxon and the Elmira Church.
Your Mom and ours shared their love of poetry so many times. I
believe Mother made a quilt for Jo. We treasure all of those
memories of riding the Saxon roads on our bicycles, and getting on
the school bus together.*

Know that you are in our thoughts.
