

Jodi L. Petre

January 31, 1961 - May 17, 2024

The Sagmoe family thanks all the friends who supported and enhanced Jodi's life over these many years. Jodi Lynn Petre was a beautiful woman who overcame undeserved obstacles and difficult battles on her journey thru life. She left this world all too suddenly on May 17, 2024 she was 63 years young. Jodi was a Waukesha WI native but made Dixon her adopted home. In May 2022 she moved to Dixon with her devoted and loving partner John Sagmoe Jr. They enjoyed a long life together filled with love, hope and family for 22 years. Here's a wonderful story, after moving in together Jodi and John unpacked and came across their first Bibles turned the pages and low an behold, they received them on the same date, October 5, 1969. Clearly love was destined to be!

Jodi graduated from Waukesha North High School in 1979 then decided to join friends for a move to Arizona for a little fun and adventure. After returning to Waukesha she embarked on careers as an optician, Travel Agent, Waitress, Real Estate Agent and Mom.

The simplest pleasures brought great joy to Jodi. Spending time outside listening to and identifying birds, planting flowers, gardening, boating, fishing and watching wildlife along the Rock River. She also loved to travel (except for the flights) Florida and Eagle River were favorites. She was a wonderful singer, loved music (loud), concerts, laughing, talking politics, reality and crime TV, Words with Friends, Jeopardy, Kelly and Mark, the View and her beloved Packers, Brewers, Badgers and Bucks. Plus the "Best dog I ever had,

Wally.” Rest in Peace Jodi, remember you were always deserving and loved, your beauty and personality were contagious to everyone you met.

I will love you forever and ever Amen, Johnny!

“ Where do I start with my favorite girl!! Known her since childhood up through high school and beyond. She was the sweetest most fun person I have ever known. I used to shoot archery with her when her Dad owned Waukesha Archery and hang out with her around the local neighborhood on Hine. You will always live in my heart and memories my Jodi Girl!!

I was so so sad to hear of Jodi's passing. I met Jodi in 2nd grade and we became fast friends. I practically lived at her house at times when we were kids. We shared so much as we grew up together and had many adventures over many years into our young adulthood. I will always treasure that friendship - Jodi was always kind and compassionate and a friend when I needed one. My heartfelt sympathies and love to Betty, Amy, Kim & Sheri and to Jodi's partner John and family.
