“Jackson”, you will be so missed (the more nick names you have... the more loved you are. He had many). You made my 30 years at Marine One special. Both with your thoughtful advice and guidance, and more so with your wry sense of humor. We shared so many fun times and helped one another through some rough ones. Rest in peace friend. Thank you for all you did for me.

“Hard to believe you’re gone. Will miss our tech support calls and just random conversations. You definitely made me a better person.
