“ *Ellen:*

*Joe and you have always been so supportive of our VietNow Chapter as well as Joe was a life member. I also worked with Joe for many years as you know at BWA. Joe always had a smile for everyone and I can honestly say I never saw him angry.*

*We may not be able to make the wake as we are going through the same thing this week. Rich's Mom passed away on Saturday at the age of 88.*

*So sorry for your loss. We know Joe will be missed by many people. You're in our thoughts and prayers.*

*Take care.*

“ I hope you remember me. I am the OT that came and saw Joe at home earlier this fall. I just wanted to extend my sympathy to all of his family. I really enjoyed the time I spent with Joe and thought he was a great guy. I was sad when I saw his passing and hope you take comfort in knowing that he is at peace now and no longer bound by his physical limitations. Take care.

“ Joe never met a stranger! He was the kindest man. He reminded me so much of his dad. They both always had a smile and a chuckle. Hard knocks in life were Joe's best friend although no one ever knew it because he rarely talked about himself. I admired him from child hood because he had such a fun spirit. I have not seen him in years or talked to him but today I remember him like we were together this morning. God rest your soul dear sweet spirit....hold your daughter Becky and say hi to my Joey....dance on those streets of gold with all our loved ones!

“ I worked with Joe at the Nuclear Plant from 1988-1994. Joe use to stop by my apartment for a few drinks every now and then. he was a big Elvis fan. He was very devoted to his family. He loved to watch his kids play sports. I just found out about his passing so I know this is a little late.My heart felt condolences goes out to his family. God Bless.
